The White Tail Slap is a York Headwaters Area annual event offered to white tail Beavers by area Cub Scout Packs. This is a chance for White Tail Beavers to learn and transition to Cubs. White Tails will participate, explore and experience elements of the Cub Scout program.

We are looking for approximately 6 scouts to provide their service for this event. Through this event, the scouts can earn the hours toward their Chief Scout Award. If we have more than 6 scouts apply, Scouters will select those with satisfactory interview outcome.
